Dear Chiropractor:

Our law firm, which specializes in class actions, is investigating a possible class action against Axiom Worldwide on behalf of chiropractors nationwide who have purchased any of Axiom's "spinal decompression machines" including the DRX2000, DRX3000, DRX5000, and DRX9000. Our clients purchased the machines from Axiom and used the marketing materials provided. If you or any doctor you know has purchased one of Axiom's machines, please contact us immediately because any information you have may prove to be very valuable. Any information will be kept confidential.

You can contact me directly at the address and phone number above, toll free at 1-800-849-6760 or by email at kelly@mcinerneylaw.net.

Sincerely,

Kelly McInerney
